Description			
Rename pp-leaders to pp-leaders.announcements Pat: There has been already again a lot of discussion, instead of announcements. For now I also introduced a "spam" filter which sets all messages with ^Subject: Re:\$ or ^Subject: RE:\$ on moderation. Another usability safeguard that has been suggested is renaming the list to pp-leaders.announcements			

History

#1 - 05/01/2012 09:31 PM - Gregory Engels

- Status changed from New to Closed
- Assignee changed from Pat Mächler to Gregory Engels

Closed, cause the new board decided not to rename the pp-leaders.
