Description === 5.3 - Statutes change (proposed by Marcel) === (Put this in Redmine) From the previous meeting minutes: Report by Samir: Jakub (CZ) has updated the statutes and put them into the wiki I didn't have the proper material yet to check whether this is correct The current form is just plain text, we should format this again I will check that till next board meeting Deadline set: Next week (Monday). No objections, concensus. Delay due to PPI not having a CI, Font type, templates etc. Report by Samir.
