

PPI Board - Task #354

Access Inventory

09/10/2016 11:43 AM - Guillaume Saouli

Status:	In Progress	Start date:	09/10/2016
Priority:	Normal	Due date:	
Assignee:	Thomas Gaul	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Description Thomas Gaul started a list with those people who actually have access to certain services from PPI. In the end, the list should include all services! A follow-up is required. This should include even the tech stuff. Please help out! < https://ppi.piratenpad.de/Standinglist-Access-to-Services >
