Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		Vote - Keith Goldstein:	
Vote - Bailey Lamon:		vote - Michal Gill:	
Vote - Thomas Gaul:			
Description			
Redmine Updating Decisions and Tasks			
Schedule a Redmine group with Boris Sobieski.			
Go through the prior tasks and figure out their progress, and whether a new issue is in fact covered by an old issue.			
Go through the minutes to add any new issues that are indeed new issues.			
Integrate info in Redmine with info on Trello or elsewhere.			

History

#1 - 01/27/2021 10:40 AM - Gregory Engels

- Project changed from PPI Board to PPI Board 2020
- Status changed from New to In Progress
