German Pirate Party IT can do streaming, and they will look into it.

[Assignee set to Finlay since he was the one reporting it in the meeting minutes. Fix it if you need to.]

- Pat: notice on the previous item on streaming board meetings. 6 Parties responded to the poll, namely: Pirate Party Slovenia, Brazilian Pirate Party, PP Russia, PP Luxembourg, Pirate Party of Turkey, PIRATA España. The latter three i.e. 50% voted in favour of streaming board meetings and as this was kind of a veto-vote it's clear that it's necessary thing we should work on.
- Thomas: So I will ask the party of Saxony if they have news and will come back to you.
- Lola: You would like to have [#53](#) assigned to you, Pat?
- Pat: Yes.
