The PPI members still want PPI to be an observer member of the WIPO. The fact that we don't have legal subjectivity yet doesn't mean we cannot apply at a later date. Therefore this task shall not be closed until it has been resolved by this Board or the next one.

The PPI HQ is about to be found. This implies that it can file for observer membership this spring.

- Pat: this is partially related to the HQ incorporation (see item 5). I would suggest that we assign someone the task to start filling out the application form, even though PPI HQ is not yet incorporated.
- Thomas: AFAIK there's an almost complete preparation form in the pad. Only changes in the board are to be done.
- Pat: Probably postpone then?

Report by Samir: registration w/ Belgian chamber of commerce of PPI HQ makes PPI eligible for membership. Pad with necessary information.

(Pat: Not done as there was no real legal person to apply for; PPI HQ would be a legal person; PPI itself is not)

Denis will bring the application in person to WIPO in Geneva.
